Done For You *System of Growth*

Just Copy and Paste

Hey Partner!

Welcome to the team!

We're excited that you have decided to join the team and launch your business! We created this system to help you succeed quickly and provide a duplicable system for you to use with each Brand Partner you enroll.

After completing each step, return to this board and continue until all the steps have been finished. Let's get started!

Step 1 - Install the Sharing App

The [Partner.co](#) sharing app is loaded with tools and resources that you can share with your contacts, and you will receive a notification when a contact views the link.

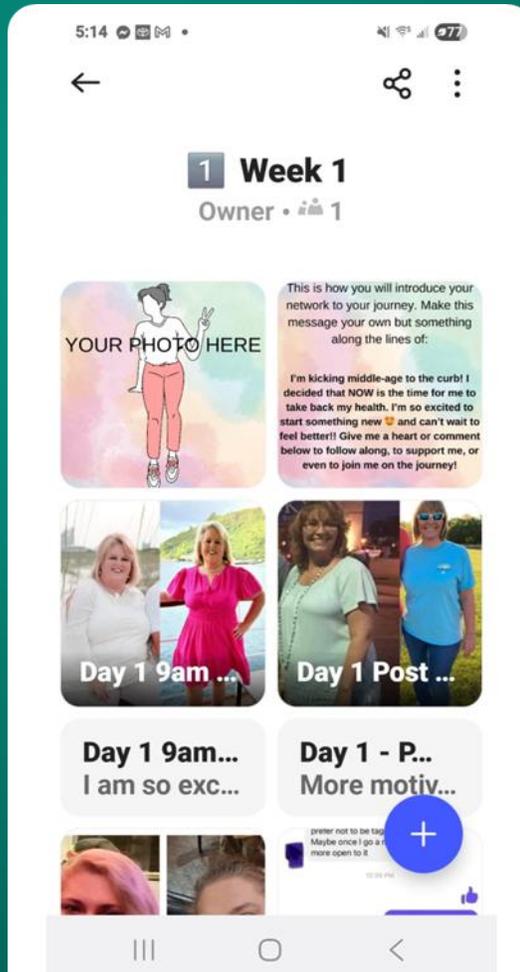

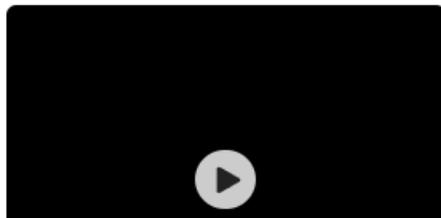

You're Doing AWESOME!

In this Board, you will learn our System of Growth. And how to execute the steps utilizing the content we have created for you. It is as simple as copy and paste once you understand the process.

Watch the videos below to learn how to use the Boards app and the Boards keyboard! The key to this system is consistency and understanding how the algorithms work that get your posts noticed. After watching these videos, you will proceed to make your first post. You got this! Keep focused!

How To Post with Boards

Daily Posts = Daily Pay

Earn Cash with the *System of Growth*

$\$160 \times 4 = \640
